CALVING EASE PLUS GROWTH

Performance Bull Sale

SATURDAY - 1:00 PM
FEBRUARY 16, 2019

AT THE RANCH NEAR DUNNING, NE

Welcome

Dear Cattlemen:

Welcome to our annual bull sale on February 16, 2019. We thank you for your continued support in our program and look forward to seeing you on sale day. We are excited to add a selected group of yearling heifers to the offering this year.

Our program is based on the Sandhills grass with no creep supplement. We run our cows on after growth meadows after weaning with supplement of 25% cake until they calve. Prairie hay and cake are then fed until breeding time. The feed wagon is only used 25 days during the breeding season. The average daily gain test began the day the calves were weaned and weighed. (September 21, 2018) The bulls were then weighed the first week in January (January 9, 2019).

J.W., Cindy, and Carrol

Our bull development program and excellent disposition traits continue to be one of the highlights of our program. The bulls are feed on a 25 acre meadow with rations that consist of soy hulls, 12% DDGS, mineral supplements and ground prairie hay.

Our commitment continues to maintain focus on breeding cattle that have the same balance of structure and performance and will perform strong in your breeding program. Buy with confidence from a program that has been a leader within the breed for over fifty years and will continue to be here to serve you in the future. We can always assist those who are unable to attend the sale. Sight, unseen purchases come with a 100% satisfaction guarantee.

We are thankful for our customers, friends, family and neighbors who make sale day happen. We would also like to thank the American Angus Association for honoring Lowell with the induction to the American Heritage Foundation. Lowell had a huge influence on us and many others. Please call or stop by anytime and join us for lunch and pie on sale day!

*Sincerely,
J.W. Simonson*
